

AIMPT-2020

All India Mock Placement Test-2020

How is my
preparation for
Campus
Placements-2021

- ✓ Feel the real Competition with secure test environment.
- ✓ More than 3000 students already registered till 18th June.
- ✓ Students from IIT's, IIIT's , NIT's & other prominent National Colleges participating.
- ✓ Almost Coverage from all states of India.
- ✓ Detailed Score Card for each student.

Test Date – 28th June || Registration Open

Why is WAE doing this event?

- To Understand the preparation level of students in present scenario
 - Unprecedented situation
 - Need to be prepare to handle VUCA
 - Volatility
 - Uncertainty
 - Complexity
 - Ambiguity
- To provide the focused solutions / advices to students through various webinars, sessions, courses, etc.
- As the hiring would be tough & HR must be strictly adhering to All India Targets, so students should have an eye on National Level Competition rather than college level.
- Providing a National Open Platform for Placement Preparation, which is missing
 - Companies have already started centralized recruitment – TCSNQT, Infosys Certification, Wipro Elite NTHE, many more can join the bandwagon.

AIMPT 2020 Pattern

- **Three Sections as following each of 30 Minutes & 30 Questions**
 - Quantitative Aptitude & Logical Reasoning.
 - Verbal Ability.
 - Technical Skills (**Branch Specific- Students to pick any One of the following during Registration**)
 - Computer Science Fundamentals
 - Electronics & Electrical Engg.
 - Mechanical Engg.
 - *Civil Engg.*
- Level of Questions: Above **than** the normal level in Companies such as Infosys, Accenture, IBM, TCS, Wipro, Com Viva, etc.
- Negative Marking : 0.25 for each wrong answer.
- Duration: 90 Minutes.

What's in it for Candidates?

- Practice of a Competitive Test in mock placement atmosphere.
- Receive Score Card (With overall & section wise Scores)
 - Percentile Scores.
 - Absolute Score.
 - Cut-off in each Section.
- Analysis Session about the Test and How to take similar tests in most optimized manner.
- Tracking their performance in all the three prominent sections for Placement
 - Aptitude
 - Quantitative
 - Logical Reasoning
 - Verbal Ability
 - Technical Fundamentals (Branch Specific)

What is the Syllabus for AIMPT 2020

- **Aptitude & Verbal Ability Sections**
 - *As in placement tests also, Companies never share the syllabus with the students, and this being a Mock Placement Test, we would follow the same legacy.*
 - *Common Topics as asked in various placement tests should be prepared, rather you should focus on all the topics, asked in various Companies, as we would be covering a broad spectrum of Companies for preparing the paper.*
- **Technical Fundamentals Section**
 - *Major Concepts of the Corresponding Branch.*
 - *Frequently asked in Core Company Placements.*
 - *Focus on key fundamentals of your branch and covering the holistic perspective of the same.*
 - *More questions on applications, rather than theoretical.*

How the Cut-Off would be determined?

- For each of the sections, we would use a Combination of the following two scores and then arrive at the Sectional & Overall Cut-off.
 - *Historical Cut-Off*
 - *Based on the experience from various Company's real recruitment tests.*
 - *AIMPT Cut-Off*
 - *From the scores obtained from this test.*
- *Those who would be clearing all the three sectional cut-off and the Overall Cut-off would be marked as Selected, if this was a real Recruitment Test.*

Calculation of Overall AIR

Would only include marks of QA& LR & Verbal Ability Sections and find out the Rank amidst all candidates appearing in AIMPT.

Score Card Format

Calculation of Technical AIR

Would only include marks of Technical Fundamental Section and find out the Rank amidst all candidates of that area.

Performance Highlights			
Total No. of Students Appeared	Total No. of Students Appeared in your Technical Area	Overall AIR	AIR in your Technical Area

Performance Details				
Section	QA & LR	Verbal Ability	Technical Fundamentals	Overall
Absolute Marks				
Percentile Score				

Cut-Off Reference (Absolute Marks)			
QA & LR (Out of 50)	Verbal Ability (Out of 50)	Overall (Out of 100)	Technical Fundamentals (Out of 50)

About the Test Platform

- WAE's Robust Online Platform.
- All the candidates to receive the platform details along with credentials by 11 am – 27th June on your registered email id, so that you can test the accessibility.
- Also we will be allocating a sample tests of 15 minutes to all the candidates, so that they can familiarize themselves with the test environment.
- Please use the same device for testing the accessibility and sample paper so as to avoid any last minute problems.
- Support for the Issues faced:
 - For all the issues related to the Test Environment can be reported on our AIMPT Help Desk at the following link and the team would be supporting you live from 11 am to 8 pm on 27th June.
<https://www.wae.co.in/pre-test-talk-aimpt-2020>
 - You can also email the issues to info@waecs.in
 - You can whatsapp us on 9352294844.

How would we
ensure that
students are not
using unfair
means

Students
expected to
display
Self-
Integrity &
Ethics

Switch-Off
All
Notifications
on the
device
being used

Follow the
Instructions for
taking the online
exam received on
your email on 27th
June

If you are found swapping
across applications and
searching on Google etc,
After 2 warnings , your Test
would be terminated

**Important Dates
from Now
onward**

Activity	Date & Time
Last Date to Register for AIMPT-2020	26 th June 11:59 pm
ID emailed to all Candidates	27 th June 11:00 am
Online Sample Paper & credential testing	27 th June
AIMPT -2020	28 th June 10 am to 6 pm in various 90- minute slots
AIMPT Score Card emailed to all Candidates	By 4 th Jul-6 p.m.
AIMPT Paper Analysis and Problem Solving	5 th July – 2 p.m.
