Guide to your AIMPT Score Card

★ **Technical Area Opted For:** AIMPT2020 was conducted in 4 areas (Computer Science Fundamentals, EEE, Civil & Mechanical Engineering) & Students had to select one area at the time of Registration.

★ **Overall All India Rank:** All students with a certain number of marks are allocated the same rank and then the next rank is allocated after considering all these candidates. For example if two students have 72/90 marks and that is highest as well and hence both would have AIR-1 whereas the next AIR available would be 3.

★ **Exam Status:** One of the following three

- **Completed:** if finished without any issues.
- **Left unfinished:** Not submitted the test and left the portal.
- **Terminated:** Exam was terminated because of unusual behavior.

★ **Result Category:** One of the following depending upon the total marks acquired

Category	Range of Percentage Marks Obtained	% of Students in this Range
Super	76-100 %	0.23
In Radar	51-75 %	11.91
Out of Focus	26-50 %	43.94
Lost Somewhere	25 % and Below	43.92

★ **Percentage Score:** Cumulative marks of all the three sections expressed in Percentages.

★ **Percentile Score:** It denotes the % of people who are having less marks than you.
